RE: USA v. Linda Duh

Dear Judge Lynch:

We write to respectfully request the postponement of sentence for Ms. Linda Duh and Mr. Tony Duh, both which are scheduled for sentence for this Friday. This request has been approved by the government by AUSA Glen McGorty.

Mr. and Mrs. Duh have both been placed on the market, with the consent of the government, the Manhattan building they own, on the condition that the proceeds of any sale, which would have to be specifically approved by the government, will go towards satisfying the substantial forfeiture order to be imposed by the Court in this matter. We expect that the sale of the building should be completed within 60 days. We further believe that a postponement of the sentencing, which would allow for the sale of the building in the open market, would be in the interests of justice. We are therefore most respectfully requesting that the Court postpone the sentencing date to a date thereafter.

We sincerely appreciate the Court' consideration of this request.
